"Neighbors Helping Neighbors" Celebrates Eleven Years of Brightening up the Holidays

The Holiday Program is now celebrating its eleventh year in Loudoun County. During the past ten years the program has helped 1000's of families have a wonderful holiday season. The program swelled from 575 families receiving help in 1996 to 1250 families in 2005. For the tenth year in a row the community came together to ensure that every family had a bright and happy holiday season. Friends and neighbors responded by collecting and donating tons of food and 1,000's of gift items, including toys and clothing.

At Thanksgiving each family receives a food box containing all the traditional fixings for a holiday dinner.

Every family also receives a laundry basket filled with household and personal care supplies. At Christmas, families get to choose new clothing

and toys for their children. Items are displayed in department store style so our recipients can choose exactly what they need or want. Senior citizens get to choose from a wide array of gifts and clothing. Each family will also receive a food box for their holiday feast.

The "Neighbors Helping Neighbors" program was established in 1996 to be an enduring link between people - those who are in need and those who want to help. The Holiday Coalition is dedicated to making the holidays brighter for those in need. With your help we have succeeded and will continue to succeed to bring the magic of Christmas to many families.

*We wish everyone a joyous
Holiday season!*

**Help Spread the
Joy!!**

*The
Holiday Coalition's
mission is:
To help serve less fortunate families,
children and
senior citizens by providing much needed
items, in a manner that
promotes dignity and
self-respect. We believe
that a single act of
kindness can be the
turning point toward a
brighter future for those
in need.*

The Holiday Coalition - Who do we help?

Though Loudoun County is a wealthy community, many people here still experience job loss and other types of economic stress, just as families in other communities do. Often, because of the wealth in our community people on the edge find themselves unable to afford those extra things the rest of enjoy during the Holidays - when the bills are paid there is just nothing left. In every

community, people experience disaster and crisis. They lose their jobs, their houses burn, divorces happen, or an illness strikes. These people live all around us. They are the single "working" parent, the elderly living on a fixed income, the physically and mentally challenged struggling to get by, or someone you least expect it to be, maybe even your own neighbor. Many of us know that some day it

could just as easily be our family that is dependent on the generosity of others. During the holiday season we must remember to make it a time to spread joy and good cheer...a time to reach out to our neighbors in need. Through the "Neighbors Helping Neighbors" Holiday Assistance Program we are able to ease some of the stress of the holidays and brighten up the spirits of young and old alike.

If you receive more than one copy of this newsletter, we apologize...Please pass it on to a friend!

**Holiday
Hotline

"Volunteers greet clients with a cheerful smile and assist them with their shopping sprees. The dignity of those shopping is evident and their smiles tell us the experience has been a happy one for all."

It takes a lot of elves to make both of the Holiday Stores happen! The "Neighbors Helping Neighbors" program depends on volunteers to be those elves...receiving elves, sorting elves, stocking elves, shopping elves! Each year hundreds of part time elves work to make sure that children and adults in our community have a brighter holiday. The elves are students, business people, scouts, senior citizens, and friends... all who work side by side to ensure that dreams and wishes are fulfilled. The visions in their heads aren't of sugarplums, but of, Barbies,

Superman, Thomas the Train, Elmo & Ernie, holiday food fixing's and more! From empty tables to tables overflowing with gifts, the elves keep busy. In addition to the 100's of store elves, there are 100's more out in the community organizing businesses, churches, schools, youth groups, friends and neighbors to help make a difference.

For many volunteer elves working at the Stores makes their own holidays complete. It's a thrill to see the volume of gifts coming in, being sorted and set up in a department store atmosphere. Taking a client on a

shopping trip through the store can really warm the heart. Many of the elves think that volunteering at the holiday store is one of the best gifts that they could receive. Helping needy families provides a rich experiences not only to those that receive, but also to those that give. **Volunteers must be 14 years old in order to work at the Store.**

Whether working in the Store or organizing your friends and neighbors...**YOU WILL NOT ONLY BRIGHTEN UP THE HOLIDAYS FOR OTHERS, BUT FOR YOURSELF AS WELL!!**

AND THE
DECEMBER HOLIDAYS**

Many times we get thank you notes from the recipients. We'd like to share a couple with you, just so you know how much you are appreciated.

"I just wanted to thank the coalition and the volunteers very much for being such a big help in providing a nice Christmas for my four children. Several events, including a recent emergency relocation due to domestic violence, lead me to apply for some assistance. I was treated very respectfully by all of your volunteers, and was amazed with the generosity of the commu-

nity, and the wonderful presents I was able to obtain for the kids. I want to express my deepest thanks to all of you for providing the Christmas, that I could not this year. May all of you receive an abundance of blessing in the year to come. Hope to see you next year – as a donor and volunteer."

"As I was cleaning up toys, I felt compelled to write the coalition to thank you for your help during the holidays. This past year I not only had twin boys in October, but I was on disability for four months, so money was very tight. I just want

someone to know how much my family appreciated your help in making the holidays wonderful for us. It is my prayer that when I am financially stable, that I will be able to contribute to your organization to help others who are going through difficulties. Thank you very much."

"The Coalition Store is a wonderful and dignified way for struggling families to have a joyful Holiday. Thank you to all!"

And one simple card that says it all: "I love you and thank you for always being here for me. Happy Holidays!"

Area Scouts Collect Food

Both the Boy Scouts and the Girls Scouts will be doing major food drives during the holiday season, which will benefit the Holiday Coalition.

The Boy Scouts of Loudoun County's Annual Food Drive "Scouting for Food" will be held on Saturday, November 11th. The week before this food drive Boy Scouts of all ages will drop off grocery bags at your door and

ask that you fill them and leave the filled bags on your front porch the morning of the 11th!

The Girl Scouts of Loudoun County's Annual Food Drive "Sing for Their Supper" will be held on Saturday, December 2nd. Girl Scouts of all ages will be caroling that weekend for food. When a troop drops by your home and sings for you, go to your

pantry and fill a bag for them! Girl Scout leaders can call Kit Kobran at 703.327.5839 for more information.

"A Scout is Helpful" is part of both the Boy Scout and Girl Scout Laws. Help them live up to the law and be ready when they come to your door. Be generous as you fill the bags and be sure to add your favorite holiday foods!

BELIEVING MAKES MIRACLES HAPPEN

The Holiday Spirit Grows

As the holiday spirit grows so does the spirit of the community. Donating toys and gifts, as well as food and necessities, are gifts from the heart, which warm the spirit of both those that give and those that receive. If you haven't yet thought about spreading the joys of the season, perhaps now is a good time to start!

Many businesses, schools, civic and social organizations, churches, youth groups and concerned individuals team up with the "Neighbors Helping Neighbors" holiday program yearly. The holiday program makes it easy to share the holiday spirit with people in our community who might otherwise receive little during the

holiday season. Here are just a few activities you or your group could do:

- Host a party where the guests bring gifts that will be donated. (Skating parties, office and home holiday gatherings, etc.) For many of our friends this has become a holiday tradition.
- Set up winter warmth trees .. collecting mittens, hats, socks, scarves...things to warm the heart & soul.
- Set up your own "giving" or "wish" tree using items on our wish list. Ask about "Project Holiday Star"
- Hold a bake sale, book sale or a raffle that benefits the program. One office does a "mystery auction" at their annual holiday party. Gifts

are wrapped and then auctioned off to the highest bidder. The winner keeps the gift and the money collected goes to the holiday program.

- Businesses hold "Miracle Day" where a percentage of sales benefits the holiday program.
- Make a donation in honor of someone who has everything or in memory of a loved one.

Be creative and come up with your own ideas You can make a difference and feel the true spirit of the holiday, one good deed at a time. You'll see this will be the best gift you will get this holiday season!!

during Distribution

- Special parties or dances (how about a "Sock Hop")! Admission is food, gifts, and socks of course!
- Winter Warmth Party .. Serve hot chocolate & things that make you feel warm and cozy. Admittance is gloves, mittens, hats, sweaters, etc.
- Fill household baskets... great project for individual classrooms and youth groups.
- Get your neighbor involved in some Winter Warmth by doing a gently used warm coat drive

Young people can make a difference and can find out early on that "Giving of yourself is JOYOUS, Santa Guaranteed!"

Biggest Needs

- ♦ \$20 Holiday Gift Cards for Perishable Foods
- ♦ Gifts/Gift Certificates for Pre-teens and Teens

"Someone Cares"

is a message heard loud and clear during the holiday season – you can help spread the message that "someone cares" by doing something special on one of these Nationally Celebrated Days of Service that would tie into the many needs of the Holiday Coalition!

Young People Make a Difference!!

In the past, schools (pre-school through college) and youth groups have been instrumental in supplying the Holiday Store with toys, mittens, hats, clothing and lots more. Although volunteers must be a least 14 years old to work in the store, they have been creative in finding other ways to help feel the spirit of the holidays! One school drew a giant size turkey and a big sign that said "Stuff Me" a creative way to collect stuffing mix for holiday food baskets. Others have sold "Spirit Links" for a small amount of money and have been successful in collecting \$100's of dollars for the program (often after raising the money, groups of kids go on shopping sprees and purchase needed items for the Store.) The list goes on and on. Here are some more ways for young people to help out:

- Penny rolls: bring in all your pennies and ask the teachers to count them; as long as teachers have to count, there is no class!
- Food Drives
- Make decorations for the Stores or create handmade holiday cards
- Make homemade baked goods for the volunteers
- Fill Christmas stockings (we provide the stockings)
- Scavenger hunts for food and household items (great for team building)
- Book collections (new or like new for all ages)
- Caroling at the Christmas Store

The Community Holiday Coalition encourages service groups and agencies to work together so that all people needing help will be helped equally, with no one being turned away empty handed. Non-profit or social service agencies, churches, schools and other service agencies are encouraged to refer families to this program to prevent duplication. If everyone works together everyone will have a "Bright and Joyous Holiday Season". Thank You!

WINTER WARMTH COAT & BLANKET DRIVE

The Holiday Coalition will be collecting and distributing good, clean used coats and blankets during our Thanksgiving Distribution. Coats are needed in all sizes. Coats for children and teens are especially needed. New gloves, hats, mittens will be distributed at Christmas. Coats should be dropped off at any of our Collection Sites or the Dulles Trade Center by November 13th

REINDEER EXPRESS

Reindeer Express helps with holiday cheer by providing holiday decorations. The goal is to provide some holiday decorations so families can have the opportunity to decorate and enjoy the anticipation that goes with the season. We are seeking "new" or "like new" decorations, ornaments and trees (artificial only). Our elves will paint and renew them (if needed) and have them ready to distribute in December. Donations can be dropped off during any of the November or December Collection Dates at Dulles Trade Center or any of the collection sites.
